MIDD. DEFEATS S. L. U.

Middlebury Sluggers Bat Out a 10 to 7 Victory. "Saints" also Hit Hard.

MCLAUGHLIN AND ALYWARD PITCH FOR MIDD. FOUR CLEAN TRIPLES OFF CLEMENTS OF S. L. U.

The Varsity met St. Lawrence on Porter Field on May 22 and batted out its eighth straight victory in an exciting game. Both teams hit hard but Middlebury outplayed the visitors both with the stick and in the field, McLaughlin started the pitching for Midd but he was somewhat wild and his offerings were batted hard by the "Saints" who gathered in eight hits during his stay in box. Alyward replaced him in the sixth and after settling down pitched a strong and steady game. Clements of St. Lawrence was batted to all corners of the field by the Blue and White sluggers. Triggs, Bresnahan, Weafer and Robinson drove out long triples. The Middlebury outfield played a strong game and made several fine catches, one by "Joe" Lamere being especially difficult. Short stop Wllson played prettily for St. Lawrence. A fairly good sized crowd witnessed the game. Summary of the game by innings:—

1ST INNING.

S. L. U.—Wheeler singled. Peet singled Kramer out at first. Roundy out. Clements singled and Wheeler scored. Clements caught off base. One run.

Midd.—Triggs out at first. Lamere out second to first. "Bres" safe at first on a poor throw. Out at second while trying to steal. No runs.

3RD INNING.

S. L. I.—Wilson walked, tried to steal second and was out under "Weaf's", careful aim. Wheeler fanned. Peet safe at first but was forced at second by Kramer's grounder. No runs

A Close and Hard Fought Meet Falls to Midd. Victory Not Certain Until Last Event.

Trow of R. P. I. Makes 23 ft. 2 in. in the Broad. Jones Carries Away Three Firsts.

On Saturday, May 23, on Porter's field, Middlebury College defeated Rensselaer Polytechnic Institute in a closely contested Track and Field Meet. The meet opened with the 100-yard dash, a very fast race on the new track, which was won by Trow of R. P. I., with the time of 10 1-5 seconds.

In the 220-yard dash Trow again took first place, with Middlebury men getting second and third places. Ferguson ran a pretty race in this event and pulled himself into third place after a mighty effort. The time was 23 3-5 seconds.

In the 440, Jones of Middlebury outclassed the visitors and reached the string first, Rensselaer getting the other two places, however. Time, 57 4-5 seconds.

One-half mile was perhaps one of the prettiest races ever run on a Middlebury track. Jones was the only entree for Middlebury in the event and he started off in fourth place. Vosburgh quickly took the lead, running fast and strong and gaining a lead which none thought could be regained. On the last lap Jones started after him, however, passed him on the home stretch in a magnificent sprint and easily captured first place, Vosburgh finishing second. The time for this race was 2 minutes 12 2-5 seconds. Jones also entered the mile run alone, and again pulled down first place, making his third victory of the day, and scoring thereby 15 points for Middlebury. The mile was run in 5 minutes 8 seconds.

The two mile was won by Captain Sibley of R. P. I. Lamere, the Middlebury entree, was handicapped, as was Jones, by having to run his race alone. He ran a hard race, but was troubled by a bad leg and did well to get a close second.

The broad jump proved to be a surprise to all, when Trow of Rensselaer started things going by jumping 23 feet 2 inches. It was a splendid jump and outclassed anything which the other contestants could do.

The high jump was very easy for Middlebury. Captain Kron and Lee dropped the opponents at the 5 feet 3 inch mark and consequently no higher mark was attempted.

The hurdles proved to be of their usual interest. The low hurdles were first cleared by Bresnahan of Middlebury, Dade of Middlebury a close second and McNaughton of R. P. I. third.

The 120-yard high hurdles were won by McNaughton, who showed nice form, with Lee second and Hubbard a tardy third.

Unlike the U. V. M. meet, the field events proved to be a meet of good things for Middlebury. Condit was not able to enter more than one event, owing to his recent illness, but he took a shot at the hammer throw and got away with first place at 104 feet. Day took second in this event.

Day won out in the shot put in spite of the competition of Alcott and, again covered himself with glory by winning the discus throw.

The meet closed with the pole vault. At this stage of the game Rensselaer could have won or tied the meet. She needed all three places to win, and the first two places to tie the meet, however. As the visitors continually "passed up" their chances at the first marks, Middlebury's men began to wonder if they were not outclassed, but it turned out differently when Lee easily won first place and Cassavant tied Page for second. Cassavant might have been able to trim out Page for second, but he unfortunately suffered a bad wrench of the ankle and had to be assisted off the field. The final score stood, Middlebury 69, R. P. I. 57.

The only regrettable features of the meet was the lack of attendance and the fact that so much of the work had to be done by Middlebury's contestants unassisted.

In spite of the almost perfect weather and the assurance of a good meet, Middlebury patrons made a shamefully small showing at the meet. It was also to be regretted that there were not more second or third place contestants on the local team, for 40 of Middlebury's 69 points were obtained by winning first place, second and third places going several times to the visitors because Middlebury had not more men to compete for the place.

Of the men entered in this meet but one, Cassavant, will have graduated next year. This means excellent prospects for a mighty successful track meet at that time, particularly if the material which is expected in the 1918 class shows up. Middlebury is certainly putting herself on the map, and we are glad to take this opportunity to thank Captain Kron for his untiring efforts with the track team.

The summary of events is as follows:

100;Yard Dash—Trow, R. P. I.; May, R. P. I.; Bresnahan, Midd. Time, 10 1-5 seconds.

220-Yard Dash—Trow. Bresnahan, Ferguson. Time, 23 3-5 seconds.

440 Yard Dash—Jones, Midd.; Reeves, R. P. I.; Bardwell, R, P. I. Time, 57 4-5 seconds.

880-Yard Run—Jones, Vosburgh, R. P. I.; Parsons, R. P. I. Time, 2 minutes 12 2-5 seconds.

(Continued on Page 3.)

One Mile—Jones, Sibley, R. P. I.; Parsons. Time, 5 minutes 8 seconds,

Two Mile—Sibley, Lamere, Midd.; Reeves. Time, 11 minutes 7 4-5 sec;

Broad Jump—Trow, R. P. I.; May, R. P. I.; Lee, Midd. Distance, 23 feet 2 inches.

Alpha Chi Dance.

Alpha Zeta of Alpha Chi entertained at a formal dance in the McCullough gymnasium on Saturday evening, May the twenty-third. The gymnasium was beautifully decorated in the sorority colors—gold and white. A part of the gym was used for a supper room and separated from the rest by a lattice of yellow crepe paper strands, fastened at the crossings with water lilies. In the center of the room suspended from the festoons of yellow and white moss paper, hung a large water lily, under a canopy of yellow crepe paper. Evergreen trees placed about the walls and water lilies scattered here and there completed the decorations.

Dancing began at 7:15 with music by Hill's orchestra. About 10:30 refreshments were served in the little supper room by the light of candles on each of the small tables, the orchestra giving a short concert during the first part of the supper.

The guests present numbered about seventy. Among those from out-of-town were Miss Lucy Liedke, ex-'12, of New York, Miss Eleanor Parkman, ex-15, of Thompsonville, Conn., Miss Gladys Keet of Springfield, Mass., Miss Elizabeth Smith of Colchester, Vt., and H. G. Williams, '13, of Springfield, Mass. The chaperones were Mr. and Mrs. Everett Skillings, Dr. and Mrs. Burrage, Miss Throop and Dr. Harrington. Guests from the town and college were the Misses Rena Huntley, Caroline Buttolph, Ruby Vosburgh, Charlotte Jenne, Robberta Arnold, Anne Hulihan and Josephine Tracey.

EDITORIAL.

The track was not in the ship shape condition necessary for the making of new records. One thing which would have helped greatly is a supply of running water. The track needed several good rollings and the only way to make an application of the roller effective is a good thorough wetting-down each time. We will wager that "Casey" and our other runners would have made excellent time on a hard, well rolled track. Now it would not cost much time or money to bring the needed water supply within reach of the track manager and his assistants and we are sure that when the track has at last been whipped into shape, several of our track records will be greatly improved.

In the statistics of the faculty attendance we find the following truths, possible days to attend chapel, 15; Harrington present all days; Cady 10; Wiley 8; Sanford 7; White 3; with the few others a day apiece. We do not see that the attendance is picking up much but then the weather has not been conducive to the best results. We are hoping for the next week to show us things.

Going to Chapel.

The sun-lit hills,
A peaceful plain,
The halls of learning at our feet,—
We stand at last upon the height.

A prayer in stone,
It crowns the height.
The incense of the heart ascends
Above the halls of learning.

A sunny morn'
The climb of noon;
We stand upon The Height, at last.—
In God's eternal temple.

Zig-zag Minstrels.

Zig-zag minstrels still in the ring. Last Thursday afternoon they left for Whiting, Vt., where they kept the crowd on edge from 8:15 until 10 that evening. Jones, Williams, Reynolds and "Hutch" played their respective positions at the bones and tambos. With "Phil" Condit as interlouctor, Parker, Harrison, Thorpe, MacMurtry, Vaughn, Salisbury, Cassavant and Garrison made up the chorus. They were accompanied by the college orchestra with Gale tickling the ivory.

The mandolin club gave a few selections followed by the Radium quartette in their several illustrated songs. Dancing was enjoyed after the entertainment with music by the orchestra.

Outside of "Pat" forgetting the words of his song and "Jack" emphazing his views on the attitude of the audience the performance was a great success. There are two more performances in view before the end of the season, one at New Haven and the other at Ferris burg.

The Faculty Football Game.

The game was played on Sunday
In Betty Sanford's yard.
Prexie was one captain
The other was Pickard.
Prex was in the backfield
With Charlie on the right
And Billy on the left side
Greek vigor did incite.
Betty was the quarter
(That's all he's worth they say)
And Cresse at the center
A snappy game did play.
For tackles there were Mickey
And Collins with broad back
And playing guards were Lambert
And our old warhorse Mac
On left end there was Briny
Who knelt on bended knee
On right was syncopated Royce
The well known Harmony.
Their rivals were the strongest
Of any team they'd met
For Robbie played one half back
And for full back they played Swett.
The other half was Abbott
Who always worked real hard,
At quarter was the captain
The effeminate Pickard.
Brave Cunny at the center
The ball straight back did shoot
And at its snap the guards would plunge
Pop Harrington and Toot.
Cady played left tackle
Herr Skillings played the right
On left end there was Morgan
On right end erat White.
Pickard made the kick off,
Straight to Prex it shot
He carried it for twenty yards
And then was downed by Pop.
Then the ball was fumbled
And Billy swore in Greek
But Charlie picked the pigskin up
And shot by like a streak.
White missed a flying tackle
From the bleachers rose a hoot
As back the field ten yards or more
Charles was thrown by Toot,
And soon the half was ended
With score on neither side
And Briny strutted off the field
With his harmonic stride
And after fifty minutes rest
The game began again
And in the battered Lambert's place
They'd substituted Paine.
Skilly caught the kick off
Ach Himmel, see him go!
He surely'd made a touch down
If he had not stubbed his toe.
But the coeds on the bleachers
The air with shouts did rend
As Cunny snapped the ball back
And Swett went round the end.
Then Abbott got his wrath up
And as his right fist shot
It took Pa Royce right in the jaw
And Cresse hollered, "What!"
Then Betty Sanford entered in
And pounded Billy's head
They took the poor man off the field
The doctor's thought him dead.
Swett and Briny got mixed up
The crowd all said they'd bet
Their hard earned money, two to one,
On Logarithmic Swett.
And then the officers stepped in
Grabbed Collins, Mick and Mac
But Collins crabbed so very loud
They stopped him with a whack.
And soon the field was empty
The crowd had left the bench
The last thing that the people heard
Was Robbie yelling French.

ALUMNI NOTES.

'99. Dr. Eugene C. Bingham, professor of chemistry in Richmond college, Richmond, Va., will represent Middlebury college at the inauguration of President William Alexander Webb of Randolph-Macon college, Lynchburg, Va., June 1st.

The Second team journeyed to Bristol May 23 for a game wit Bristol High school. While the score suggests a football game or a track meet, the players insist that the contest had a few general characteristics of a base ball game. Errors and hits were even more numerous than the runs obtained, and sufficient excuses are offered for the wild throws made. Captain "Lightning" Schwarzwalder played his usual speedy game, coming across with a couple of hits, a stolen base, a couple fine catches and several bad throws. His men followed his example, but they managed to get just a few more runs than did their opponents.

Garrison, who pitched for the college men, did well, but the erratic support given him nearly proved fatal on several occasions. In one inning he struck out four men, but Reynolds dropped the last strike behind three of them and thereby allowed a "life" to each.

In the seventh inning the score was tied at 15 to 15, but Garrison tightened up and prevented further scoring by his opponents, while his team mates rallied him in the seventh and eighth batting in a safe lead of five runs. When the endurance contest was over the score stood 20 to 15 in favor of the Second team.

A Chemical Dream.

I slept, and was chased in a horrid
dream,
(I do not think it is fair);
Chased in a dream by a bold oxime
Who'd cut off an aldose' hair.

Three pentosans with leering eyes
Stole off with the benzol ring,
And a hydrozone with a heart of stone
Began at once to sing.

A mercaptan set up a smudge,
While a cacodyle went to the bad,
(From too much fudge was what I judge
For that was all he had).

A glucoside and two sucrose'
Got into an awful scrap,
And woke from a dose two levulose
Who'd just been having a nap.

I did not know just where I'd been
Until I saw in the mass,
An amygdalin with a leathery skin.
'Twas Voter's Organic class!
One of 'em.

On the cover of a current number of the Musical Courier appears a picture of David Bispham, for many years principal baritone of the Royal Opera house, Convent Garden, London, and of the Metropolitan Opera house, N. Y. We are most fortunate in having secured David Bispham for the Commencement concert on June 23. He is a singer of foreign as well as national reputation and comes here with many honors won from various music debuts. He has sung the principal baritone roles of the leading operas in German, French and Italian with the best Grand Opera companies. This is a musical treat for this part of Vermont and no doubt it will be well appreciated. A fuller account of the program of the Commencement concert will be given in the next issue of the CAMPUS.

A picture of satisfaction

If it hadn't been for the Fatima Cigarettes the dog would perhaps be tied to a post. If it hadn't been for the dog, the opportunity to enjoy Fatimas wouldn't have been so great —which all goes to show that lovers of pure, good, choice tobacco find Fatima Cigarettes most companionable, most delightful and therefore a true adjunct of life indoors and out.

Twenty cigarettes, best quality of tobacco, in a plain package.

More Fatimas are sold in this country than any other brand of cigarettes.
